Page Two Iron Age Designs Price List

**If you have a unique or custom area that needs a trench, catch basin, drain or tree grate, please call for more information.**

**We can provide a radius trench grate as pictured above and have several radius grates that are not a custom design which can save you money by not having to incur a special pattern charge.**

**We also do custom work such as fencing or gutter drain chain, please call for more information.**

**Tree Grates**
